

## **FISCAL NOTE**

### **SB 3989 - HB 3910**

February 13, 2008

**SUMMARY OF BILL:** Prohibits a pest control operator from initially entering into a contract to provide ongoing services for termite prevention or control on a structure or building until the operator has applied a suitable pesticide to such structure or building to prevent or control termites. Violations are punishable through civil penalties and license revocation.

#### **ESTIMATED FISCAL IMPACT:**

**State Revenue – Net Impact – Not Significant**

**State Expenditures – Net Impact – Not Significant**

Assumptions:

- A not significant increase in revenue from collection of additional civil penalties.
- Very few license revocations will take place
- A not significant decrease in revenue from no longer collecting license fee revenue from persons whose license is suspended.
- Any increase in expenditures to investigate complaints will be not significant and can be accommodated within existing resources without an increased appropriation or reduced reversion.
- A not significant decrease in state expenditures from no longer licensing and regulating persons whose license is suspended.

#### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
